EDITED BY

FOREWORD

The 1964-1965 school year has given the student body of West Point High School many memories. As editors of the POINT, we have tried to capture these memories as accurately and attractively as possible. In Ecclesiastes 3: 1-8 the following verse is found --- "To everything there is a season, and a time to every purpose under the heaven: . . . A time to weep, and a time to laugh . . ." With these stirring words in mind, we, the editors of the 1965 POINT, give you A TIME TO REMEMBER . . .

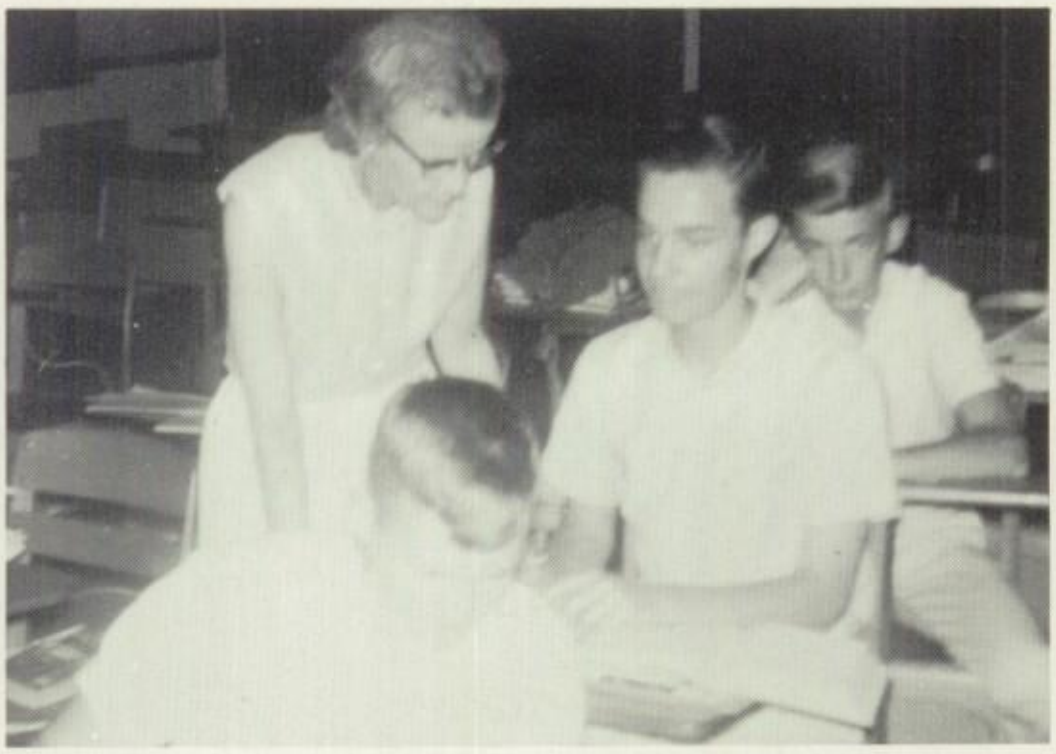
DEDICATION



Nouns, gerunds, and participles,
too,

Constitute a world for you.

The works of Dickens, Doyle, and
Poe

Are a little of the knowledge you
give us to know.

Through efficient work with the
annual staff

You've stored up memories that
will last.

And now in gratitude for all you
do,

Mrs. Rilee, we dedicate this annual to you.

ON TIME

Fly envious Time, till thou run out thy race,
Call on the lazy leaden-stepping hours,
Whose speed is but the heavy Plummet's pace;
And glut thy self with what thy womb devours,
Which is no more than what is false and vain,
And merely mortal dross;
So little is our loss,
So little is thy gain.
For when as each thing bad thou hast entomb'd,
And last of all, thy greedy self consum'd,
Then long Eternity shall greet our bliss
With an individual kiss;
And Joy shall overtake us as a flood,
When everything that is sincerely good
And perfectly divine,
With Truth, and Peace, and Love shall ever shine
About the supreme Throne
Of him t'whose happy-making sight alone,
When once our heav'nly-guided soul shall climb,
Then all this Earthy grossness quit,
Attir'd with Stars, we shall for ever sit,
Triumphing over Death, and Chance, and thee O Time.

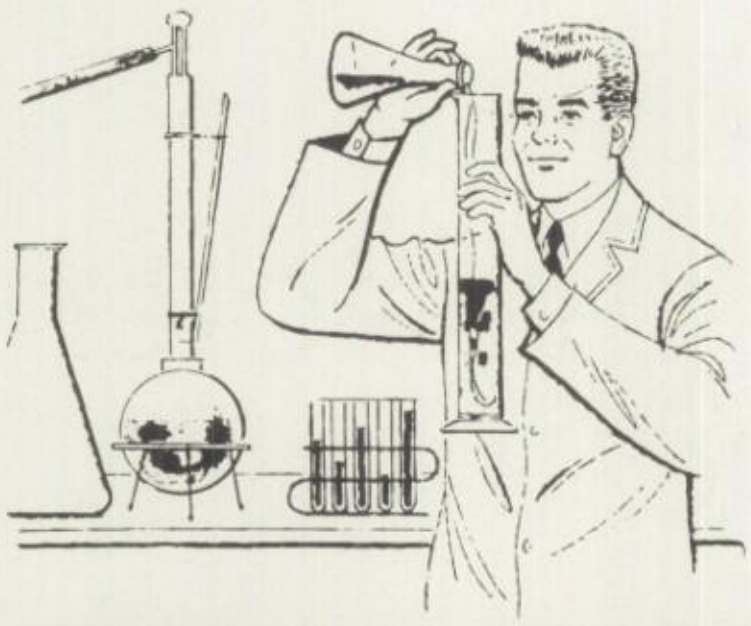
Paper and Careers *for the future*



TODAY there are more than 100,000 different uses for paper . . . and the search for new uses never ends. That is why this fast-growing industry is now the fifth largest in the country . . . and why it needs trained researchers and technicians for future growth.

Our company, a pioneer kraft manufacturer, joins with other mills in sponsoring college scholarships in paper technology. It also offers scholarships for study in a subject of the student's choice. For information, write: Public Relations Department —
